

Baby You're My Light

[Richard Hawley](#)

First time the longing in you wears the girl that grows it

And if he relieves you know that then you've blown it

And as life goes on you know you get to taste

All you find

Cause baby, you're my light

Baby you're my light Next time the feeling is the same, don't have to show it

A window of belief is where you own it

And as life goes on you know you have to face

All you find

Cause baby, you're my light

Baby, you're my light

Baby, you're my light Baby, you're my light Last time the years have gone the moment's on you know it

But I believe in you and now I'll show it

And as life goes on you know you don't have to hate

All you find

Baby, you're my light [Repeat: x5]
