Trying to Get to You

Gillan

I have been travelling over mountains
Even the valleys tooI've been travelling night and day
I've been running all the way
Baby, trying to get to youEver since I read your letter
Well you say you love me trueI've been travelling night and day
I've been running all the way
Baby, trying to get to you
When I read your other letter
Then my heart began to sing
There where many miles between us
But it didn't mean a thingI just had to reach baby
'Spite of all we been throughI ain't care travelling night and day
I ain't care running all the way
Baby, trying to get to youWhen I read your other letter
Then my heart began to sing
There where many miles between us
But it didn't mean a thing
Lord above knows I love you
It was he who brought me through
When my way was dark as night
Shine his brightest light
When I was trying to get to you
