

I Don't Want No Rocks

Perry Sisters

I Don't Want No Rocks
I don't want no rocks to cry out in my place
I just want to thank my Lord, for His saving grace
I don't want no rocks to cry out in my place
I just want to lift Him high, and praise His holy name.

The disciples followed Jesus crying in a loud voice
Saying "Blessed be the King" as they began to rejoice
But when the Pharisees among them said "Rebuke them for their shout"
He said "If these should hold their peace, then the rocks would surely cry out!"

And I don't want no rocks to cry out in my place
I just want to thank my Lord, for His saving grace
I don't want no rocks to cry out in my place
I just want to lift Him high and praise His holy name.

Now we read it in the bible that in the last days
God will pour out all His spirit to each and every race
And when this Holy Ghost anointing begins to fill our soul
We can thank the heavenly Father for He has made us whole!

Repeat chorus
Repeat last line
