

# Crush (1980 ME)

Darren Hayes

Cyndi Lauper Jackson, Simon Le Bon  
I put eurythmics on poppin' and lockin' in  
The U.S.A. day glo sweater tied around my neck  
Studded denim big hair acid wash  
Rubik's cube my boom box You know it's alright I promise you tonight  
All you gotta do is choose life Got a little crush I just can't get enough of that stuff  
It's such a rush 1980 me  
Got a little crush I just can't get enough of that stuff  
It's such a rush 1980 me Frosted lipstick parachute pants doc Martins dead  
Can dance culture club the go go's pretty in pink PacMan  
Asteroids Miami vice too early for Vanilla Ice  
Crimpin' the poodle perm and blond highlights You know it's alright I promise you tonight  
All you gotta say is have a nice day Got a little crush I just can't get enough of that stuff  
It's such a rush 1980 me  
Got a little crush I just can't get enough of that stuff  
It's such a rush 1980 me Dance baby you know you're gonna have such a good time  
Welcome to 1980 me  
Dance baby you know it's gonna be alright  
Welcome to 1980 me I wish that I could be eleven again that E.T was my friend  
You know that life was so simple then  
Times have changed never be the same  
The memory remains and the melody inside my heart You know it's alright no matter how it goes  
All you gotta do is just say no Got a little crush I just can't get enough of that stuff  
It's such a rush 1980 me  
Got a little crush I just can't get enough of that stuff  
It's such a rush 1980 me Dance baby you know you're gonna have such a good time  
Welcome to 1980 me  
Dance baby you know it's gonna be alright  
Welcome to 1980 me
