## Minds Without Purpose

Hey what's up you've got pretty eyes
didn't take me long to realize
that you are the one i've been wanting
Do you remember the time you first saw me?
then i ment you and 1, 2, 3
maybe we should be more than friends

girl i know your crazy but I love you anyway
and I'd do anything for you anytime of the day
and when your down I'll cheer you up and make everything okay
and I can't get you out of my head

and I stay up all night just to talk to you
hear your voice i know i'll make it through
cuz you came out of nowhere and you stole my heart
girl you've had me from the start
losing my mind
just me and you
what would I do
without you
without you
without you

Got lost on the way to your house
you laughed at me you still do now
but it was all worth it to see you
i peed in the trashcan at your school
made myself look like a fool
i dont know what you see in me

you know im retarded but you love me anyway
like that time you surprised me at that one show that one day
gave me 10 pounds of candy and made everything okay
and i cant get you out of my head

and I stay up all night just to talk to you
hear your voice i know i'll make it through
cuz you came out of nowhere and you stole my heart
girl you've had me from the start
losing my mind

just me and you
what would I do
without you
without you
without you

and i wonder what you think of me now
cuz i just dont know anymore
and these feelings that i have for you
i dont know what to do

be my everything and ill be yours
maybe find out we had so much more
than we ever dreamed that wed ever find
your permanently on my mind
losing my mind...

just me and you
what would i do
without you
without you
without you
