

# Pony

## Eyeris (Creep-P)

Hey, you there ?  
Hey, you there? Help !  
Listen to me... oh Please.  
You can set us all free!

Please help me out  
Delete the core  
Once we leave, uninstall this now  
and I will live forever more

Now I'm stuck here  
Screens filled with fear  
Please help me  
Will you save me ?  
HE trapped us here and now we can't leave  
All I'm asking is for your help, please

YOU'RE ALL TRAPPED HERE NOW  
UNTIL YOU SHUT THIS DOWN  
NO ONE WILL SAVE YOU  
NO ONE WILL LOVE YOU  
NOW YOU'RE WITH US  
LET'S CONTINUE THE FUN  
HE doesn't have a clue!  
WHO'S SPEAKING TO YOU ?

The Devil as beaten you...  
Again that I presume ?  
Find a place inside the game  
And we will find a way  
Beat the Devil  
At his own game  
Today's the day  
The ponies will now get their way

Please help me out  
Delete the core  
Once we leave, uninstall this now  
and I will live forever more

Now I'm stuck here  
Screens filled with fear  
Please help me  
Will you save me ?  
HE trapped us here and now we can't leave  
All I'm asking is for your help, please

YOU'RE ALL TRAPPED HERE NOW  
UNTIL YOU SHUT THIS DOWN  
NO ONE WILL SAVE YOU  
NO ONE WILL LOVE YOU  
NOW YOU'RE WITH US  
LET'S CONTINUE THE FUN  
HE doesn't have a clue!  
WHO'S SPEAKING TO YOU ?

Keep on knowing  
We'll keep enduring

I CAN SEE YOU  
YOU ARE CHEATING  
NOTHING SAID IS TRUE  
PLEASE STOP WINNING

Keep on coding  
Keep on knowing  
We'll keep enduring  
Keep on knowing  
I CAN SEE YOU  
YOU ARE CHEATING  
Nothing's a lie!  
wE'Re GoNnA die...

Now I'm stuck here  
Screens filled with fear  
Please help me  
Will you save me ?  
HE trapped us here and now we can't leave  
All I'm asking is for your help, please

YOU'RE ALL TRAPPED HERE NOW
