

Yesterdays

Fitzgerald, Ella - Riddle, Nelson

Flowers cut and brought inside
Black cars in a single line
Your family in suits and ties
And you're free
The ache I feel inside
Is where the life has left your eyes
I'm alone for our last goodbye
But you're free
I remember you like yesterday, yesterday
I still can't believe you're gone, oh
I remember you like yesterday, yesterday
And until I'm with you, I carry on
Adrift on your ocean floor
I feel weightless, numb and sore
A part of you and me is torn
But you're free
I woke from a dream last night
I dreamt that you were by my side
Reminding me I still had life
In me
I remember you like yesterday, yesterday
I still can't believe you're gone, oh
I remember you like yesterday, yesterday
And until I'm with you, I carry on
I'll carry on, oh, I'll carry on
Every lament is a love song, a love song
(Yesterday, yesterday)
I still can't believe you're gone, oh
Every lament is a love song, a love song
(Yesterday, yesterday)
Oh, so long my friend, so long
