Stick Around

Tess Parks

Well I got a chance
To tag along
I sold my dance to the circus
And I sang my songDreampt of little birds
Stayin' to talk
He won't like me when he's gone
He won't like me when he's goneTurnin' 21
It ain't that long to be around
Think I'll stick around
Think I'll stick around
Try to keep myself to myself
Before I get let down
Before I get let down
