

# Stick Around

## Tess Parks

Well I got a chance  
To tag along  
I sold my dance to the circus  
And I sang my song Dreamt of little birds  
Stayin' to talk  
He won't like me when he's gone  
He won't like me when he's gone Turnin' 21  
It ain't that long to be around  
Think I'll stick around  
Think I'll stick around  
Try to keep myself to myself  
Before I get let down  
Before I get let down
