

# FLii Away

## Auburn

I just wanna fly away  
From all of this pain  
Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...[Verse 1]  
Now I've been sittin' here  
Missing you  
Thinkin' bout those crazy things  
We used to do  
And I can't help but think  
That its cuz' of me  
More than a friend, you were blood, you were family  
And I try to stay happy but I can't  
I wish that you were here  
Things ain't the same  
I wish that you would've listened  
Should've paid more attention  
But now it's to late..I just wanna fly away  
From all of this pain,  
Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...I just wanna fly away  
From all of this pain  
Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...You know that it gets hard for me  
Remeniscing bout' what we did  
And it's killing me inside  
I wish that I could change the past  
(But I can't)

I wish that you were here with me  
(But you ain't)  
I know that things won't get better til' I move on  
I wish I could, but the feelings so strong  
Wish I had the chance to apologize.  
No I never meant what I said that night  
But now its too lateI just wanna fly away  
From all of this pain,  
Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...I just wanna fly away  
From all of this pain  
Things don't feel the same  
Feels like I'm to blame  
I just wanna fly away  
Can't believe you're gone  
I feel so alone  
Want you to come home...I just wanna fly away  
(I wish that I could fly away)  
(Wish that I could fly away...to be with you)  
I just wanna fly away  
(I wish that I could fly away)  
(Wish that I could fly away...to be with you)I jus wanna fly away  
(I'm missing you like crazy)  
(Missin' you like crazy...wish that I could fly away)  
I jus wanna fly away  
(I'm missing you like crazy)  
(Missin' you like crazy...wish that I could fly away)I just wanna fly away  
(I wish that I could fly away)  
(Wish that I could fly away...wish that I could fly away)  
I wish that I could fly awaaaay)  
(ooh Ooh)Wish that I could fly away  
Fly Away  
Fly AwaayI just wanna fly away
