Leaving Babylon

Bad Brains

Well I say-hey
Say I'm leaving this Babylon
I'm leaving this Babylon
It will not be too long now
Will not be too long
I said my people are starvin', but your money's runnin
I said my people are starvin', but your money's runnin
I say your dollar, dollar drop down real low
You ain't got no gold to show
We gonna step right through that door
Not gonna come back no more
