

# I'm Beginning to See the Light

[April Ames](#)

I never cared much for moonlit skies  
I never winked back at fireflies  
But now that the stars are in your eyes  
I'm beginning to see the light  
I never went in for afterglow  
Or candle light on the mistletoe  
But now when you turn the lamp down low  
I'm beginning to see the light  
I used to ramble through the park  
Shadow boxing in the dark  
Then you came and caused a spark  
That's a four-alarm fire now  
I never made love by lantern shine  
I never saw rainbows in my wine  
But now that your lips are burning mine  
I'm beginning to see the light  
I never went in for afterglow  
Or candle light on the mistletoe  
But when you turn the lamp down low  
I'm beginning to see the light

I used to ramble through the park  
Shadow boxing in the dark  
Then you came and caused a spark  
That's a four-alarm fire now  
I never made love by lantern shine  
I never saw rainbows in my wine  
But now that your lips are burning mine  
I'm beginning to see the light  
I used to ramble through the park  
Shadow boxing in the dark  
Then you came and caused a spark  
That's a four-alarm fire now  
I never made love by lantern shine  
I never saw rainbows in my wine  
But now that your lips are burning mine  
I'm beginning, oh, I'm beginning  
I'm beginning to see the light, ooh, that light  
I'm beginning to see the light
