

Altar of Sacrifice

Advisory - the following lyrics contain explicit language:

Waiting the hour destined to die
Here on the table of Hell
A figure in white unknown by man
Approaching the altar of death High Priest awaiting dagger in hand
Spilling the pure virgin blood
Satans slaughter, ceremonial death
Answer his every command Death will come easy just close your eyes
Dream of the friends you'll see
Heavenly failure losing again
Move on to a new form of life Altar of sacrifice, curse of the damned
Confronting the evil you dread
Coalesce into one your shadow and soul
Soon you will meet the undead Altar of sacrifice, curse of the damned
Confronting the evil you dread
Coalesce into one your shadow and soul
Soon you will meet the undead
Enter to the realm of Satan Blood turning black, the change has begun
Feeling the hatred of all damned in Hell
Flesh starts to burn, twist and deform Eyes dripping blood realization of death
Transforming of five toes to two
Learn the sacred words of praise, hail Satan A gift of powers disposed upon you
Use them when you feel the need
Master the forces and powers of Satan
Controlling the creatures instinct Drawn to the castles that float in the sky
Learn to resist the temptation
Watching the Angels sift through the Heavens
Endlessly searching for salvation
