

# Broken Crown

## Jesus Wept

Touch my mouth and hold my tongue  
I?ll never be your chosen one  
I?ll be home, safe and tucked away  
You can?t tempt me if I don?t see the day  
The pull on my flesh was just too strong  
stifles the choice and the air in my lungs  
better not to breathe than to breathe a lie  
'cause when I open my body I breathe a lie  
I will not speak of your sin  
There was a way out for him  
The mirror shows not  
Your values are all shot  
But oh, my heart was flawed I knew my weakness

So hold my hand, consign me not to darkness.  
Crawl on my belly ?til the sun goes down  
I?ll never wear your broken crown  
I took the road and I fucked it all away.  
Now in this twilight how dare you speak of grace.  
Crawl on my belly until the sun goes down  
I?ll never wear your broken crown  
I took the road and I fucked it all away.  
Now in this twilight how dare you speak of grace.  
So, crawl on my belly until the sun goes down  
I?ll never wear your broken crown  
I can take the road and I can fuck it all away.  
And in this twilight our choices seal our fate.
