Sensuality [Part 1 & 2]

The Isley Brothers

Here I lay, so close to you
Knowing that you'll see me through
Another night when we'll feel the joy
The joy that makes me smile more and moreAnd every day I dream
Of holding you close to me
And every night I find me
Touching your lips with mine
Nah, ohh, oh, babeIt seems that time moves much too fast
Love is here and love will last
Your body's warm and sure to please
Lady of love, take all of meEvery day I dream
Of holding you close to me
Every night I find me
Touching your lips with mine
No, oohEvery day I dream
Of holding you close to me
Every night I find me
Touching your lips with mine
Oh, ooh, aahAnd through the night, the touch of love will be
Forever strong and forever sweet
And giving in to passion's flow
Creates a world we want to growEvery day I dream
Of holding you close to me
Every night I find me
Touching your lips with mineEvery day, hey hey, ooh, every night
Every day, hey, hey, whoa, every, every night
Every day, hey, hey
Naa, ooh, every, every nightEvery day I dream, oh I dream
Naa, ooh each and every night
You're moving me, soothing me, girl
Loving, touching, feeling, ohh
And I'm feeling good, ohh feels good
