Ritual Noise (Edit)

Covenant

We make ritual noise
We weave the fabric of dreams
We build cities of sound
We feel the rhythm of timeWe make ritual noise
We weave the fabric of dreams
We build cities of sound
We feel the rhythm of timeWe make ritual noise
Wired to the world under our fingertips
We take special care
Listen to the words spoken in confidenceWe make ritual noise
Shouting to be heard
Cooling our burning lips
We break down the gates
Open up our wounds bleeding for innocenceWe make ritual noise
We weave the fabric of dreams
We build cities of sound
We feel the rhythm of timeWe live generous lives
We have the power of will
We turn logic around
We feed the engine of changeWe make ritual noise
We weave the fabric of dreams
We build cities of sound
We feel the rhythm of timeWe live dangerous lives
We have the power of will
We twist logic around
We feed the engine of change
