(Pop, Pop, Pop, Pop) Goes My Mind

[LeVert](#)

La, la, la, la, la, da, da, da.

Ooooooooh, oooh, ooooooooooooh.
Oh, no, no.

I remember when you said I was the only one that you could give your love to.
Your love was so strong.
Baby, I admit I was wrong.
Can we try to start it over,
(Ba, ba, ba, ba.) Or has your love run out on me.
Tell me that you love me, girl.
Baby, please have pity on me, baby, yeah.
Pop, pop, pop, pop goes my mind (My mind),
Every time I think of all the time I did you wrong.
Pop, pop, pop, pop goes my mind.
Goes my mind.

I never wanted you to leave.
I tried to love you the best I could.
But baby, now I see, girl.
My best, my best was no good. No, no, no, no, no.
So please don't say you're leaving me. (Ba, ba, ba, ba.)
See, I can't stand to see you cry.
Tell me that you love me, girl.
But I don't know, I don't know why my mind keeps saying, keeps telling me.

Pop, pop, pop, pop goes my mind (My mind),
Every time I think of all the times I did you wrong, baby.
Pop, pop, pop, pop goes my mind.
Baby, my love was so stro-ro-ro-ro-rong.

Oooh, oooh, oooh, oooh, oooh, oooh, oooh, baby.
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah.
Oh, no, baby.
You got me saying (Oh) ohh, ohh, ohh, ohh.
(Yeah, yeah.) Ohh, ohh, ohh, ohh.
Yeah, yeah, yeah, yeah, yeah, yeah.
Aw, girl. Aw, girl. Oh, oh,
I'm saying oh, baby. Baby.

Baby, baby, baby, baby, baby, baby, baby.

Please don't just say, don't just say that you're leaving. (Ba, ba, ba, ba.)
I can't stand it when you cry, baby.
No, no, no.
Tell me that you love me, girl.
See, I don't know, I don't know why my mind keeps saying, keeps telling me.

P
