Heather Lewis  
When you left for college  
I thought you would visitHeather Lewis  
Heather Lewis  
Tell me why you  
Had to go so far awayI thought you'd call me  
Cuz you would miss me  
I guess I understand your busy  
I thought you'd write me  
Because you liked me  
Do you even think about meI know I'm dull compared to sororities  
(Yes you are)  
I don't like to go to parties  
(No you don't)  
But I thought for sureI meant more to you  
Then anybodyHeather Lewis
