

# Ocean's Organ

[Anneli Drecker](#)

An organ is playing in the ocean mighty and strong  
about the days you once had and those that are gone  
in the ocean...An organ is playing in the ocean plays loud and wide  
about hopes being lit and hopes that have died...Chorus:

An organ is playing in the ocean

Oh Oh Oh Oh, Oh Oh, Uh Oh

Playing a verse that you know

Oh Oh Oh Oh, Oh Oh, Uh Oh

An organ is playing in the ocean

Oh Oh Oh Oh, Oh Oh, Uh Oh

About the days you had

Oh Oh Oh Oh, Oh Oh, Uh Oh

In the ocean...An organ is playing in the ocean with thunder storm  
playing a verse that you know is your own one  
in the ocean...
