Walkaway

Weaves

I look up at the sky
I thought that I could see
All of the sentiment of those who spoke to meI look down at the road
I see the creatures grin
I don't wanna be paved back
I feel relief as I amWalkaway Walkaway girl
If you know what's good to do
Walkaway Walkaway girl
If you know what's good for you
Walkaway Walkaway girl
If you know what's good to do
If you know what
If you know what
The fury hits my fingers as I reach out for the wind
Felt the steps of a stranger
Saw the day creeping inThe simple measures of pleasure
Keep the memories inWalkaway Walkaway girl
If you know what's good to do
Walkaway Walkaway girl
If you know what's good for you
Walkaway Walkaway girl
If you know what's good to do
If you know what
If you know what
If you know what
If you know what
If you know what
If you know what
If you know what
If you know what
If you know whatIf you know what's good to do
If you know what's good for you
