

# Under The God (1999 Remastered Version)

## Tin Machine

Skin dance back-a-the condo  
Skin heads getting to school  
Beating on Blacks with a baseball bat  
Racism back in rule White trash picking up Nazi flags  
While you was gone, there was war  
This is the West, get used to it  
They put a swastika over the door [Chorus]  
Under the God  
Under the God  
One step over the red line  
Under the God  
Under the God  
Ten steps into the crazy Washington heads in the toilet bowl  
Don't see supremacist hate  
Right wing dicks in their boiler suits  
Picking out who to annihilate Toxic jungle of Uzi trails  
Tribesmen just wouldn't live here  
Fascist flare is fashion cool  
Well, you're dead-you just ain't buried (yet) [Chorus] As the walls came tumbling down  
So, the secrets that we shared  
I believed you by the palace gates.  
Now the savage days are here Under the gods  
Crazy eyed man with a shot gun  
Hot headed creep with a knife  
Love and peace and harmony  
Love you could cult with a life [Chorus]
