Sheets

Shannon Saunders

Am I ugly to my lover? cause he doesn't love me.
He saw the beauty in another but she isn't worthy.
I gave him kisses, gave him all I could.
what was I missin'? I misunderstood
Am I worthy of my love cause...
he doesn't love me x8No longer undercover cause you've got another love under the sheets. Should've listen to my mother when she said to find a lover who could handle me.
No longer undercovers, No longer undercover
underneath the sheets
