Teach U a Lesson

[Robin Thicke](#)

You feel so good, you smell so good
You feel so warm just like I knew you would
Can't let you go, can't let you go
I can't let you goYou were late to school
I'm gonna have to see you after class
You've been a bad girl
Someone's gonna have to, teach u a lessonYou've been a bad girl
Someone's gonna have to, straighten you right out
You've been a bad girl
Someone's gonna have to teach u, teach u
Someone's gonna have to teach uYou can call me professor
But baby, you broke the rules
You won't get the grade you want
Unless you stay after schoolYou can work it off
Baby, I can give you extra credit
But there's something else
Girl, can I frisk you?
Search your body for, you look so guilty to meIf I make you nervous
It's 'cause youre hiding WMD's
And I'm gonna sentence you
Baby, you can do your time on me
I can't let you go, I can't let you goYou were late to school
I'm gonna have to see you after class
You've been a bad girl
Someone's gonna have to teach u a lessonYou've been a bad girl
Someone's gonna have to straighten you right out
You've been a bad girl, bad girl
Someone's gonna have to teach u, teach uJust for the moment, for tonight
Can I, make you mine?
Is it me? Is it us?
Can I, love you all my life?
