

# Fall In Love

[KeKe Wyatt](#)

Tell me are you ready for what I got and how I got it planned out,  
Tell me that you want it and you can't wait for me to put my hands on you,  
Boy you feel that heat all on your body,  
And you're waiting on me to get it started and your body's waiting on me. You can't wait for me to put my  
hands on,  
Your body's calling me, I've gotta handle.  
Tell me where and how you want it, (want it)  
You don't know the best cause you ain't had me yet.  
And when we finish making sweet love baby,  
You gon' fall in love with me.  
And baby tonight, you gon' fall in love with me (with me). Baby put your hands on me, 'cause I wanna feel  
good,  
Its the way that you grab my waist in the place that you should.  
Boy you know my body is calling your name,  
Every night is something new your touch is not the same.  
You can be excited, surprised everyday  
I can't wait for you to put your hands on me baby. You can't wait for me to put my hands on  
Your body's calling me, I've gotta handle.  
Tell me where and how you want it,  
You don't know the best cause you ain't had me yet.  
And when we finish making good love, baby  
You gon' fall in love with me.  
Baby tonight, you gon' fall in love with me. Baby I feel it, Oh! I know you feel it too.  
Baby I want it, I know you want it too! You can't wait for me to put my hands on,  
Your body's calling me, I've gotta handle.  
Tell me where and how you want it,  
You don't know the best cause you ain't had me yet.  
And when we finish making good love,  
You gon' fall in love with me.  
Oh baby tonight you're, you gon' fall in love with me. Baby don't you hear me now, gonna fall in love.  
You gonna fall in love with me (with me baby yeah).  
You gonna fall in love with me. You gonna want more and more, more and more, more and more, more of me.
