Let It Rain

Rick Astley

It seems so simple when it rains
It seems so easy to explain
And after all that I've done wrong
You still carry on
It seems so simple when it rains
Yeah I feel so guilty for your pain
It was me but I let you take the blame
And after all the damage done
You still carry on
It feels so simple when it rainsSo let it rain on me
Let it rain on me
Just let it rain down on me
Just let it rain rain down on me
It seems so simple when it rains
It seems so easy to explain
After all that I've done wrong
You still carry on
It feels so simple when it rainsSo let it rain on me
Let it rain on me
Just let it rain down on me
Just let it rain rain down on meI won't fear the lightning when it comes
I won't run away from any storms
I won't fear the change
I won't fear the change
I won't fear the pain it takes to change
Let the water wash over me
Let the water run and make me clean
After all the damage done
You say I'm still the one
Let the water wash over me
Over meSo let it rain on me
Let it rain on me
Just let it rain down on me
Let it rain on me
So let it rain on me
Let it rain on me
Just let it rain down on me
Just let it rain rain down on meIt seems so simple when it rains
Yeah it seems so easy to explain
