Sweet Talk

Lee Aaron

Intoxicated
By the little things you say...
Infatuated
By your way of passion play...

Hear the thunder, in my heart
Feel my emotions, comin' apart
Physical power, in your words
Something electric, like
I've never heard...

Don't keep me waitin' anymore
Break the silence..
Don't keep me waitin' anymore
I want you...

(Sweet.. talk...)
Gimme some o' that sweet talk
Whisper in my ear
(I need your sweet talk...)
All I need is your sweet talk
(Sweet talk, sweet talk)
(Sweet.. talk...)
Gimme some o' that sweet talk
It's what I wanna hear
(I need your sweet talk...)
All I need is your sweet talk
(Sweet talk, sweet talk)

Sweet seduction
On the tip of your tongue
No interruptions
I want you one on one

Anticipatin'
Your bark your bite
I'm captivated
By a voice in the night...

Don't keep me waitin' anymore

Break the silence...
Don't keep me waitin' anymore
I want you...

(Sweet.. talk...)
Gimme some o' that sweet talk
Whisper in my ear
(I need your sweet talk...)
All I need is your sweet talk
(Sweet talk, sweet talk)
(Sweet.. talk...)
Gimme some o' that sweet talk
It's what I wanna hear
(I need your sweet talk...)
All I need is your sweet talk
(Sweet talk, sweet talk)

Don't make me
Don't make me wait
don't make me wait
another minute
(Come on an' talk ta me)
Talk ta me the way ya do

Don't keep me waitin'.. anymore..
Break the silence
WHISPER:
I want you

SING:
(Sweet.. talk....)
Whisper in my ear
WHISPER:
Talk to me...
SING:
(Sweet.. talk....)
Say the words I wanna hear...

Oh... oh..
(Sweet.. talk...)
Gimme some o' that sweet talk
Whisper in my ear
(I need your sweet talk...)
All I need is your sweet talk
(Sweet talk, sweet talk)

(Sweet.. talk...)
Gimme some o' that sweet talk
It's what I wanna hear
(I need your sweet talk...)
All I need is your sweet talk
(Sweet talk, sweet talk)

(Sweet.. talk...)
Gimme some o' that sweet talk
Whisper in my ear
(I need your sweet talk...)
I need your sweet talk...
(Sweet talk, sweet talk)
(Sweet.. talk...)
Gimme some o' that sweet talk
It's what I've got ta hear
(I need your sweet talk...)
All I need...
(Sweet talk, sweet talk)
All I need...
(Sweet.. talk...)
Talk ta me
(I need your sweet.. talk...)
I need your sweet talk...
(Sweet talk, sweet talk)
(Sweet.. talk...)
I want you, one on one
(I need your sweet talk...)
Whisper in my ear.....

[hold this note to the
end of the song]

Sweet talk, sweet talk
(Sweet.. talk...)
(I need your sweet talk...)
(Sweet talk, sweet talk)
