My Heart Is

Tiffany Alvord

Ah, ah-oh, oo-woo-oo-oo-oo
Ah, ah-oh, oo-woo-oo-oo-oo
Don't run, just walk
Oh dang, he's hot
Here we go, one more time
Oh dang, he's fine
My heart is beating and pounding for you
My heart is melting and I'm falling for you
My heart is, complete, ever since we did meet
My heart is, my heart is,
My heart is, oo-oo-oo
Yeah, oo-oo-oo
I try to stand although my knees are weak
I try to talk, although I cannot speak
One word, at all, 'cause I cannot think when you're around
I feel so faint, like it can't be real
Catch me because I'm head over heals
Someone wake me if this is a dream
'Cause if it's not it can only mean one
Thi-i-i-i-ing
My heart is beating and pounding for you
My heart is melting and I'm falling for you
My heart is, complete, ever since we did meet
My heart is, my heart is,
My heart is, oo-oo-oo
Yeah, oo-oo-oo

What's your name and can I have your number,
You're so fine, you're the highlight of my summer,
I hate good-byes, let's say hello again,
I'll be waiting for you.
Don't run, just walk, right on into my arms.
Oh dang, he's hot, so baby, take my heart.
It's yours to keep, just tell me what to do,
Cause baby, baby, I'm fallin', fallin' for you.
Ah, ah-oh, oo-woo-oo-oo
Ah, ah-oh
Boy, you've captured all of me,
You made it hard for me to breathe.

You're that I need,
Baby, I'm intrigued.
It can only mean one
Thi-i-i-i-ing
My heart is beating and pounding for you
My heart is melting and I'm falling for you
My heart is, complete, ever since we did meet
My heart is, my heart is,
My heart is, oo-oo-oo
Yeah, oo-oo-oo
Don't run, just walk
Oh dang, he's hot
Here we go, one more time!
Oh dang, he's fine
Ah, ah-oh, oo-woo-oo-oo-oo
Ah, ah-oh, oo-woo-oo-oo-oo
