Electric Baby

Mest

There are two loves that I have in this world
My electric guitar, my electric girl
I love them both so much and I hope that they see
Without one of them I wouldn't be me'Cause I wanna hold you
That's all I really wanna do
'Cause I wanna hold you
That's all I really wanna doWell, I would do anything for you
At the drop of a dime
'Cause when I feel lost
I feel fine knowing that your mine'Cause I wanna hold you
That's all I really wanna do
'Cause I wanna hold you
That's all I really wanna doI'm alone without you
I feel lost, I don't know what to do
In this life I won't stay
If you choose to run awayDon't run away
I need you to stayI got four words
Running through my mind all the time
I got four words
Running through my mind all the time
I got four words
Running through my mind all the time'Cause I wanna hold you
That's all I really wanna do
'Cause I wanna hold you
That's all I really wanna doDon't run away
I need you to stay
So don't run away
I need you to stay
