TimeÂ´s Up

Living Colour

Time's up, the rivers have no life
Time's up, the world is full of strife
Time's up, the sky is falling
Time's up, the Lord is callingHow you gonna stop the clock now
When the well runs dry?
All the rivers have diedMoment by moment
Day by day
The world just slipping awayYour future won't save your past
The time is now, it won't lastThen time is nigh
Time to do or dieTime waits for no one
If you want to go on
Give me somethin' to grow onThe forest, the trees
The rivers, the seas
All die of this diseaseTime ain't on your side
Don't sit idly by
You've got to just try[Inaudible]
