TimeÂ's Up

Living Colour

Time's up, the rivers have no life Time's up, the world is full of strife Time's up, the sky is falling Time's up, the Lord is callingHow you gonna stop the clock now When the well runs dry? All the rivers have diedMoment by moment Day by day The world just slipping awayYour future won't save your past The time is now, it won't lastThen time is nigh Time to do or dieTime waits for no one If you want to go on Give me somethin' to grow on The forest, the trees The rivers, the seas All die of this diseaseTime ain't on your side Don't sit idly by You've got to just try[Inaudible]
