

Rockabilly Blues

Brian Setzer

When I was just a boy
way back when
I just seemed to know it, man
even back then
gonna make people shout
and clap their hands
I'm gonna play guitar
in a rock'n'roll band I never wanna stop it,
I just wanna rock it,
yes I do, oh yeah
And I can't seem to shake
them low-down Rockabilly Blues
Rockabilly Blues (4x) When I was seventeen
I got this here Guitar
we've had our ups and downs
but it's gotten me this far
It's made a lot of money,
it's been around the world,
it's been with me longer
than any other girl! I never wanna stop it,
I just wanna rock it,
yes I do, oh yeah
And I can't seem to shake
them low-down Rockabilly Blues
Rockabilly Blues (4x) I never want to stop it,
I just want to rock it,
yes I do!
But I can't seem to shake
them low-down Rockabilly Blues (oh yeah!)
Baby, I can't fake it,
I just want to shake it,
yes I do!
And I never want to lose
them low-down Rockabilly Blues
Rockabilly Blues (4x)
