

It Was Always You

Maroon 5

Woke up sweating from a dream
With a different kind of feeling, oh
All day long my heart was beating
Searching for the meaning, oh Hazel eyes, I was so color blind
We were just wasting time, uh uh babe
For my whole life, we never crossed the line
Only friends in my mind, but now I realize It was always you
Can't believe I could not see it all this time
All this time
It was always you
Now I know why my heart wasn't satisfied
Satisfied
It was always you, you
No more guessing who
Looking back now I know it was always you
Always you All my hidden desires
Finally came alive, hmm
No, I never told lies
To you so why would I
Start tonight Hazel eyes, I was so color blind
We were just wasting time, uh uh yeah
For my whole life, we never crossed the line
Only friends in my mind, but now I realize It was always you
Can't believe I could not see it all this time
All this time
It was always you
Now I know why my heart wasn't satisfied
Satisfied
It was always you, you
No more guessing who
Looking back now I know it was always you
Always you Ah, yeah (you, you, you, always you, you, you)
Ah, yeah (you, you, you, always you, you, you) Woke up sweating from a dream
With a different kind of feeling It was always you
Even if I could not see it all this time
All this time
It was always you (always)
Now I know why my heart wasn't satisfied, satisfied
It was always you, you

No more guessing who
Looking back now I know it was always you, always youIt was always you
