

# We're Gonna Win

Bryan Adams

We're gonna win  
Don't wanna be a loser, gonna win  
'Cuz winnin' really is the only thing  
Get out of the way we're comin' in  
If you wanna fight just step inside the ring  
Does anybody wanna take a swing?  
It's gotta be all or nothin'  
Oh, we're gonna be the champions  
Yeah, we're goin' all the way, we're gonna win, winWe're gonna win  
Forget about a draw, we're gonna score  
And then we're gonna get a few more  
Maybe another one just to be sure  
We'll make you look just like an amateur  
Until the final whistle it's a war  
And then we're gonna pick you off the floor  
We wanna hear the crowd really roar  
Yeah, we're comin' in we're gonna win, win  
Yeah!We're gonna win, we wanna win  
'Cuz number one is everything  
We're gonna win, we wanna win  
We're gonna be the champions  
We're gonna win, winOh, yeah  
Hey hey, we're gonna win  
Don't wanna be a loser, gonna win  
'Cuz winnin' really is the only thing  
Get out of the way we're comin' in  
If you wanna fight just step inside the ring  
Does anybody wanna take a swing?  
It's gotta be all or nothin'  
Oh, we're gonna be the champions  
Yeah, we're goin' all the way, we're gonna win, win  
Oh!We're gonna win, we wanna win  
'Cuz number one is everythin'  
We're gonna win, we wanna win  
We're gonna be the champions  
(We're gonna win, we wanna win)  
We're gonna be the champions  
We're gonna win, win  
(Yeah, we're gonna win, we're gonna win)

(We're gonna win, we're wanna win)  
(Yeah, we're gonna win, we gonna win)  
Yeah, we're gonna be the champions  
Yeah, we're goin' all the way  
We're goin' all the way, we're goin' all the way  
(Yeah, we're gonna win, we gonna win)  
(Yeah, we're gonna win, we gonna win)
