

# The Wolves Die Young (Single Edit)

## Sonata Arctica

Weather's getting colder  
Winter claims the land  
It is said the Queen is dressed in  
the warmest gown in the whole land They say it is a wonder  
a dress is made of thunder,  
The Wolves, who cannot see it  
will one day dethrone the Queen The citizens all cover  
the beauty of the power  
Makes them see a flower  
bloom in the Winter Wonder Land  
The walls keep getting closer  
breath fear in your cage,  
from the Queen will hear today  
the reason in the rhymes  
children play The Queen is naked  
and no one sees her amber eyes  
Now the innocent kneel down  
and ask forgiveness for their lies The court,  
the meek,  
will obey the tyrant Queen  
Bring us their heads for... This is the day when the wolves die young  
They'll never see a new midnight sun  
I'm gonna make sure the prophecy is undone  
Find out where those children have run  
Mutiny is rising  
against the wall of fear  
Mirror, mirror of the fall  
sees her final spiraling  
downfall The Queen is naked  
and no one sees her amber eyes  
Now the innocent kneel down  
and ask forgiveness for their lies The court,  
the meek,  
will obey the tyrant Queen This is the day when the wolves die young  
They'll never see a new midnight sun  
I'm gonna make sure the prophecy is undone  
Find out where those children have run This is the day when the wolves die young  
They'll never see a new midnight sun  
I'm gonna make sure the prophecy is undone

Find out where those children have runFind out where those children have run

Find out where those children have run
