

# So What

Avi Buffalo

I'm only waiting for the star collector  
To come and sweep me right up off my feet  
Will something happen to me in the meantime?  
I guess i never got a chance at death  
And that's complaining to much, still  
Connected Just like a sequence to the open side  
It feels better now that I've got cleaner  
It's just like summer camp with great [?]So what x16  
I had a dream that you were acting normal  
It made me wake up feeling like a stone  
And everyone had left and gone to work but  
I knew i had no choice but to stay home  
I'm only waiting for the sun to come up  
Oh wait it's too late now i wait again  
If every dream I have treats me like this  
I want a lover who can calm my head  
An endSo what x16
