

# Queen

## Melvins

As a measure of a soul  
Like a dumb run: bring your fear  
You and me, we got the same air going  
Breathing here  
You got sent the cold water you're in  
Like someone left to could half breathing  
Maybe me and the Queen could take another order  
Lock it away

Oh little wish it away  
I got time to wish away  
Little wish it away

Head look about for freedom  
Like a do-mo bring on feel  
I might take the T-mind looker  
Love and see  
High tongue hit the cold wide looker  
Aw Damien has the free minds mover  
Maybe me and the Queen could give a side order  
Love it away, yeah!

Oh little wish it away  
I got time to wish away  
Little wish it away  
She don't hang
