

# Hear Me Calling (Remastered)

## Ace of Base

I enter your life now make no mistake  
Can you reach me can you reach me  
I enter your life now make no mistake  
Can you reach me can you touch me[Chorus]  
Can you hear me calling in the night  
My love's so strong I can't get it right  
Can you feel my longing through the night  
You've got me totally hypnotized I came in a black dress and left in a white  
Can you reach me can you reach me  
I came in a black dress and left in a white  
Can you reach me can you touch me[Chorus] Looking for eyes, the dream is so nice  
The rhythm of the song, where you belong  
I want is your heart and soul Hm, I'm high on emotion you're here with me  
You can reach me you can reach me  
Hm, I'm high on emotion you're here with me  
You can reach me you can touch me[Chorus] Hypnotized I am hypnotized
