Chardonnay

Cerys Matthews

Chardonnay, chardonnay how I love you ChardonnayAs I reach to hold you with my trembling hands
In my hands my trembling handsChardonnay, Chardonnay you'll be glad to hear me say
I will never need you more than I do now
In my hands my trembling handsWhen I'm sad sad and blue
You are my friends constant and true
I dedicate this song to you
And I would like to take you home with me
Chardonnay, Chardonnay I'm in love with your bouquet
You're so cold but you so beautiful tonight
In my hands my trembling handsChardonnay, Chardonnay you don't have a lot to say
But your silence has a welcome touch today
In my hands my trembling handsWhen I'm sad sad and blue you are my friend constant and true
I dedicate this night to you
And I would like to take you home
With me, tonight
In my hands my trembling hands
In my hands my trembling hands
In my hands my trembling hands
In my hands my trembling hands
