What I Heard

Blondie

Same old song and dance, I gave you another chance.
Drama every night. I don't wanna fight .
Same old story again: you wanna be my friend . It's really gotta end.
Same old story ! CHORUS
You told me you were done with her and I believed every word...
and now I wonder what I heard... ooooh !
You told me you were done with her and I believed every word...
and now I wonder what I heard... ooooh !
The drama won't stop, he says he called the cops ...
police don't care 'cause he's crazy.

You keep calling me. It's a total bore, I've heard it all before, cat got out, he came running back for more.
(Chorus) x1
I told you I'd be cool , now I feel like a fool.
I got sucked into your crazy, but it won't phase me.
It's a total bore, I've heard it all before, the cat got out,
she came running back for more.
(Chorus) x 2
Oh Oh Oh Oh.... (x4)
