

Wrong

Anacrusis

Wrong, all that we are
Living, breathing lies
Wrong, all that I feel
All compassion dies[Chorus:]
Once hand in hand
And now detached
Befriend the pace
The lonely trance, detachedWrong, all that I see
Something inside denies
Wrong, all that I feel
Something inside me cries[Chorus]What can I say when there are no words?
I can't explain what I cannot understandWrong, all that we do
Dismiss the things we've said
Wrong, all we become
We stumble misguided[Chorus]Something in you, something in me
We're trying to control
Something in you, something in me
We're trying to overcome
Something in you, something in me
We're trying to understand
Something in you, something in me
We're trying to break outWhat can I say when there are no words ?
I can't explain what I can't understandWrong
Wrong
Wrong
Wrong ?
