Wire

Erik Friedlander

Turn on the spotlight, strike up the band
Everyone's looking my way
They came to see the excitement firsthand
Hear all that I've got to say
Oh, it makes me wonder What if I slip
Will they catch me or watch me fall?
I am walking on a wire, tiptoe in through the fire
Never looking down to see that
I am walking on a wire, the pressure's getting higher
But I don't look around
Everyone roots for the winner
The others well maybe next time
Time at the top only lasts fifteen minutes
They just leave you behind
Oh, it makes me wonder, what if I slip

Will they catch me or watch me fall?
I am walking on a wire, tiptoe in through the fire
Never looking down to see that
I am walking on a wire, pressure's getting higher
But I don't look around, it's so far to the ground
Will they catch me if I fall?
Will they catch me if I fall?
What if I slip
Will they catch me or watch me fall?
I am walking on a wire, tiptoe in through the fire
Never looking down to see that
Yeah I am walking on a wire, pressure's getting higher
I don't look around it's so far to the ground
I'm never looking down
