

# Cryin'

Doro Pesch

You like to play with me  
you drive me wild  
you hurt me really deep  
and I don't know why  
It seems to me that I'm a long  
long way from home  
I went too far on the road to nowhere  
It's you and me in a living nightmare  
I gave up everything just to stay  
close to your heart  
You make me haul like the wind  
I don't know how you got under my skin  
Crying, shake it up  
If I cry like a baby  
Does it do it for you  
Crying, ain't enough  
If I cry till forever  
Will I ever get through  
I see the trouble  
and I feel the danger  
Is my heart beating for a heartless stranger

Just say a word and make me  
see the things I don't understand  
I'm freezing cold  
and its getting colder  
I'm losing hope  
I can't wait no longer  
If I could read your mind  
I wouldn't come around here no more  
You better know that I'm losing my head  
And when I go love will never come back  
REPEAT CHORUS :  
You gotta know that you pushed me to far  
You'll soon know how that feels  
I tell you now: there's only one way out  
My last chance is, I turn it around  
REPEAT CHORUS :
