

# Missing

## Fool's Garden

(Hinkel / Freudenthaler)

How does it feel?

Now that we're softly falling

Say do you feel the same

Heroes won't fall,

heroes won't fall

How does it feel?

Now that we're slowly sinking

Say do you feel the same

It's wide open now,

wide open now

Oh, don't miss you anymore

The battlefields remain

but it's better than before

Oh, I don't miss you

Oh, don't miss you anymore

The fear remains the same

but it's better than before

Oh, I don't miss you

Heaven is wide again

Silence is always speaking

We tried now we sail - the clouds

cry as they fall,

cry as they fall

Oh, don't miss you anymore

The battlefields remain

but it's better than before

Oh, I don't miss you

Oh, don't miss you anymore

The fear remains the same

but it's better than before

Oh I don't miss you

I don't miss you

I still miss you

We couldn't stay afloat

Now we're washed upon the shore

Oh, I don't miss you anymore

I still miss you!
