

Heartache In Blue

ZZ Top

Yeah
Hey hey hey
Hey hey hey
CmonI got it bad
Yeah so bad
I don't never want it no more
BabyIf it were me
You left me layin down on the floor
Only you (only you)
Yeah yeah you (yeah yeah you)You left me left my heartache in blue
Well when you're good
Don't mean no good
Leavin my mind in a tangleAnd that's the way
That's what i say
I'm crumblin all around and a wrangle
Sweet you (sweet you)Sweet sweet you (sweet sweet you)
You left me left my heartache in blue
Oh well
You demon hair?Slitherin down a blue red door
Chang chang
It's just a thang
Tie me up then keep me just until i'm goneOnly you (only you)
Sweet sweet you (sweet sweet you)
You left me left my heartache in blue
