

# Love Me Hate Me

## The Relay Company

Verse 1:

Just go, and like you mean it.  
So slow, as if you're really leaving.  
You're running like you've never run.  
You're running like you've never run like this before.

But I still see you.Chorus:

Love me, hate me.

I'm not believing you that you want to get away.

Love me, hate me.

I'm not deceiving you, oh, let's take some time away.

Go, go, go, go

I'll be waiting for you while you make up your mind.

Go, go, go, go

I'll be waiting to hear you say, "you are mine anyway".Post-chorus

Love me Hate Me

(oh, u, oh, oh, oh, oh, u, oh.)Verse 2:

Just go (just go) cuz you don't need me. I know  
what you mean but your not speaking  
your mind. You're lying, standing there  
and you're running like you've never run like this before.  
Then why am I still seeing you (before) then why am I still seeing you?Chorus:

Love me, hate me.

I'm not believing you that you want to get away.

Love me, hate me.

I'm not deceiving you, oh, let's take some time away.

Go, go, go, go

I'll be waiting for you while you make up your mind.

Go, go, go, go

I'll be waiting to hear you say, "you are mine anyway".Bridge:

Why don't you...

Won't you tell me something I don't already know?

Why don't you....

speak to me?Chorus:

Love me, hate me.

I'm not believing you that you want to get away.

Love me, hate me.

I'm not deceiving you, oh, let's take some time away.

Go, go, go, go

I'll be waiting for you while you make up your mind.

Go, go, go, go  
I'll be waiting to hear you say, "you are mine anyway".
