Truly

Peshay

I know good things, I know bad as well
Any witness to the world will tell
If there is sorrow, then there is beauty and trust
A secret pearl inside the heart of usSo truly, if there's light then I want to see it
Now that I know what I am looking for
Truly, if there;s joy then I want to feel it
Here in this world is where I want to be
'Cause I can't cry anymoreAnd there is magic now, under blood red trees,
All the sky will scream a mystery
And if we're strangers here, from the day we are born
Why be afraid of freedom if it is yours?So truly, if there's light then I want to see it
Now that I know what I am looking for
Truly, if there;s joy then I want to feel it
Here in this world is where I want to be
'Cause I can't cry anymoreAll the world is calling, calling out my name
All the world is saying it won't be the same
All the sky is showing how it;s gonna be
But I'm scared and I'm tired of being like me...So truly, if there's light then I want to see it
Now that I know what I am looking for
Truly, if there;s joy then I want to feel it
Here in this world is where I want to be
'Cause I can't cry anymore
