

# Whenever I Call You Friend

Melissa Manchester

oooooh, ooooooooh  
Whenever I Call You Friend  
I begin to think I understand  
anywhere at all you and I have always been  
forever and ever I see myself within your eyes  
And that's all I need to show me why  
Everything I do, always brings me home to you  
Forever and ever Now I know my life has given me  
More than memories  
Day by day we can see  
In every moment there's a reason to carry on Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it... Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it... right Whenever I Call You Friend  
I believe I've come to understand  
Anywhere at all you and I were meant to be  
Forever and ever I think about the times to come  
Knowin' I will be the lucky one  
Ever our love will last  
I always want to call you friend Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it... whenever I call you friend Now I know that my life has given me more than  
memories  
day by day we can see  
in every moment  
theres a reason to carry on Sweet love... showing us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it, doin it... repeat  
sweet love  
sweet love  
sweet love
