

# The Big Bang

## Rock Mafia

Oh babe !...  
I don't wanna lie  
I'm gonna take what you're giving  
'Cause I know you're willing  
To take me all the way  
You got me right here,  
Combustible  
And I can't wait to finally explodeThe big big bang  
The reason I'm alive  
When all the stars collide  
In this universe insideThe big big bang  
The big big bang , the big big bangSome people like to talk,  
But I'm into doing  
What I feel like doing  
When I'm inspired, so  
If we take a walk down  
The beach tonight  
I bet that we could light up the skyThe big big bang  
The reason I'm alive  
When all the stars collide  
In this universe insideThe big big bang  
The big big bang, the big big bangTake it from me, I don't wanna be,  
Mummified  
Sometimes I feel so isolated  
I wanna die  
And I'll take it from you if you got it  
Every time  
So baby, bring your body here  
Next to mine, next to mineI don't wanna dream  
I just wanna live it  
So baby  
Let's not miss this thingThe big big bang  
The reason I'm alive  
When all the stars collide  
In this universe insideThe big big bang  
The big big bang, the big big bangHit me big, big, big, bang  
Whoa, baby  
Whoa, baby  
Whoa, baby
