

# Fashion Of His Love

## Lady Gaga

I never was the kind of girl,  
That's naturally sure when it comes to love, oh no!  
I was insecure, insecure!  
But when it comes to you and me  
I can't deny this feeling inside,  
Oh no, I never felt like this before!  
This before, oh, no! Chorus:  
I'm seeing all the signs from above  
I'm gonna be the one that he loves  
I was made for loving him  
The fashion of his love  
Oh yeah  
I'm gonna be his first and last kiss,  
'Cause honey I was born to be his  
I was made for loving him  
The fashion of his love You know that I'd never cheat on a man  
'Cause I'm not like that  
I'm physically crafted to be  
As fitting as McQueen  
But when it comes to clothing I'm bad  
I'm fashionably just designed to be grand  
Oh and he's no accessory to me  
Oh to me, no no, no! No I just can't seem to forget you  
No I can't for just as long as I met you  
You're my babe right through  
I was made for you (I was made for you) Chorus:  
I'm seeing all the signs from above  
I'm gonna be the one that he loves  
I was made for loving him  
The fashion of his love  
Oh yeah  
I'm gonna be his first and last kiss,  
'Cause honey I was born to be his  
I was made for loving him  
The fashion of his love They say you need a strong man  
Not just a friend  
But baby my search is done  
No longer reason to cry or to justify  
How I feel for you my love I'm seeing all the signs from above

I'm gonna be the one that he loves  
I was made for loving him  
OH YEAH I'm seeing all the signs from above  
I'm gonna be the one that he loves  
I was made for loving him  
The fashion of his love (oh yeah) I'm gonna be his first and last kiss,  
'Cause honey I was born to be his  
I was made for loving him  
The fashion of his love I'm gonna be his first and last kiss,  
'Cause honey I was born to be his  
I was made for loving him  
The fashion of his love
