

Disposable Heroes (Cliff Bass +)

Metallica

Bodies fill the fields I see
Hungry heroes end
No one to play soldier now
No one to pretend
Running blind through killing fields Bred to kill them all
Victim of what said should be
A servant 'til I fall
Soldier boy, made of clay
Now an empty shell
Twenty one, only son
But he served us well
Bred to kill, not to care
Do just as we say
Finished here, greetings death
He's yours to take away
Back to the front
You will do what I say when I say
Back to the front
You will die when I say you must die Back to the front
You coward
You servant
You blind man
Barking of machine gun fire
Does nothing to me now
Sounding of the clock that ticks
Get used to it somehow
More a man, more stripes you wear
Glory seeker trends
Bodies fill the fields I see
The slaughter never ends
Soldier boy, made of clay Now an empty shell
Twenty one, only son
But he served us well
Bred to kill, not to care
Do just as we say
Finished here, greetings death
He's yours to take away Back to the front
You will do what I say when I say
Back to the front

You will die when I say you must dieBack to the frontYou coward

You servant

You blind man

Why, am I dying?Kill, have no fear

Lie, live off lying

Hell, hell is here

(Solo)

Why, am I dying?

Kill, have no fear

Lie, live off lyingHell, hell is here

I was born for dying

Life planned out before my birth

Nothing could I say

Had no chance to see myself

Molded day by day

Looking back I realizeNothing have I done

Left to die with only friend

Alone I clench my gun

Soldier boy, made of clay

Now an empty shell

Twenty one, only son

But he served us well

Bred to kill, not to care

Do just as we say

Finished here, greetings death

He's yours to take away

Back to the front

You will do what I say when I say

Back to the front

You will die when I say you must die

Back to the front

You coward

You servant

You blind man

Back to the front
